His current role as Head of Equity Strategies & Advisory is to devote his time to finding new ideas, in addition to maintaining portfolio management responsibilities. Prior to joining the Affin Hwang Asset Management Berhad, Mr. Gan was Head of Equities of Investments at Pacific Mutual Fund Berhad where he led an experienced fund management team. Mr. Gan had overall responsibility for all their funds across the board. His role involved being responsible for all equity fund performance, research initiatives and providing marketing support. Mr. Gan graduated with a Bachelor of Science (Industrial and Business Economics) from the London School of Economics, England (1992) and holds Capital Markets and Services Representative’s License in fund management.”
