19. UNIT TRUST LOAN FINANCING RISK DISCLOSURE STATEMENT

Investing in a Unit Trust Fund with Borrowed Money Is More Risky than Investing with Your Own Savings.

You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financial circumstances. You should be aware of the risks, which would include the following:

- (a) The higher the margin of financing (that is, the amount of money you borrow for every ringgit of your own money which you put in as deposit or down payment), the greater the loss or gain on your investment.
- (b) You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
- (c) If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the time prescribed, your units may be sold towards the settlement of your loan.
- (d) Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are experienced. Whether you eventually realise a gain or loss may be affected by the timing of the sale of your units. The value of your units may fall just when you want your money back even though the investment may have done well in the past.

This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take a loan. If you are in doubt about any aspect of this risk disclosure statement or the terms of the loan financing, you should consult the institution offering the loan.

20. ENTITY TAX RESIDENCY SELF-CERTIFICATION FOR FATCA (Foreign Account Tax Compliance Act) AND CRS (Common Reporting Standard)

Please read these instructions before completing the section.

Regulations based on Foreign Account Tax Compliance Act ("FATCA") and Organisation for Economic Co-operation and Development ("OECD") Common Reporting Standard ("CRS") require financial institutions to collect and report certain required information based on an account holder's tax residence. Each jurisdiction has its own rules for defining tax residence. In general, for entities tax residence is defined as the jurisdiction where the entity has its place of management. Special circumstances may cause the entity to be resident elsewhere or resident in more than one jurisdiction at the same time (multiple residencies). For more information on tax residence, please consult your tax adviser or the information at the following link for FATCA and CRS at <https://www.irs.gov/> and <http://www.oecd.org/tax/automatic-exchange/tax-information-and-assistance/> respectively.

If the tax residence of the account holder is located outside of the country in which the account is maintained, we may be legally obliged to pass on the information in this form and other financial information with respect to your financial accounts to the tax authorities in the country where the financial institution is located.

This self certification will remain valid unless there is a change in circumstances relating to the account holder's tax status, (e.g. a change in the ownership structure of the entity adding controlling person) or other mandatory fields included on this form. You must notify us within 30 days if there is a change in circumstance that makes any of the information provided in this form incorrect or incomplete and provide an updated self-certification form.

This section is intended to request information only where such request is not prohibited by applicable local law or regulations.

Please complete the following section(s) where you need to certify on behalf of an entity.

If you are a sole trader or sole proprietor do not complete this section. Instead please complete an "Individual / Controlling Person Self Certification Form (FATCA and CRS)".

Where the account holder is a passive non-financial entity ("NFE"), or an investment entity located in a non-participating jurisdiction managed by another financial institution:

Please provide information on the natural person(s) who exercise control over the account holder (such individuals referred to as "Controlling Person(s)") by completing an "Individual / Controlling Person Self Certification Form (FATCA and CRS)" for each Controlling Person. This information should be provided in respect of any account holder which is a passive NFE or investment entities located in a non-participating jurisdiction and managed by another financial institution.

If you are completing the form on the account holder's behalf:

You should indicate the capacity in which you have signed under the **DECLARATION AND UNDERTAKINGS**. For example you may be completing the form under a signatory authority or power of attorney.

As a financial institution, we are not allowed to give tax or legal advice.

If you have any questions about this form, these instructions, or defining your tax residency status, please speak to your tax adviser or domestic tax authority.
