

Securities Industry Dispute Resolution Center

Need help to settle your investment disputes?

If you have a monetary dispute with a SIDREC Member related to your capital markets investments, SIDREC can help you.

- SIDREC was established by the Securities Commission Malaysia as an independent and impartial alternative dispute resolution centre to help investors resolve their monetary disputes with capital market intermediaries or financial service providers who are SIDREC Members.
- Our expert service is free for investors with claims up to RM250,000.
- Our members include Stockbrokers, Derivatives Brokers, Fund Management Companies, Unit Trust Management Companies, Private Retirement Schemes (PRS) Providers and Distributors, and Banks who offer capital market products.
- If you have a complaint involving a monetary claim relating to a capital market product or service, such as shares, warrants, bonds, derivatives (e.g. futures or options), unit trusts, PRS, and structured products, that you are unable to resolve with our Member, their representative or agent, and you would like our help, please get in touch with us.

Contact SIDREC for free, fair and expert help.
